Dear parents,

16/11/19

This is to inform that, We will commence our admissions for Academic Year 2020-21 from 22/11/2019.

The proposed seats for new Academic year are very few in number. Like every year, we extend the priority for existing Parent community in the category of Sibling admission process.

Interested Parents can come and enroll their 2nd Child name with Ms. Madhuri at the school Reception desk on or before 7th December. This will entitle to the sibling admission fee benefits and the seat allocation

NOTE:- 8th December onwards, admission fee waiver is not applicable under any circumstances.
